

WRESTLING FANS WAITING TO SEE ROLLER AND LICK

Turner to Meet Montana on
Mat at City Auditorium
To-Night.

So far as wrestling fans are concerned, all roads will lead to the City Auditorium to-night, where Dr. R. F. Roller is to meet Shad Lick, of Baltimore, in a finish match for the heavy-weight wrestling title bestowed on Roller by Frank Gotch, when he retired from the mat. Lick has met and vanquished some of the best men in the game. Just two weeks ago he put a quietus to the championship aspirations of Tully, the giant Belgian, throwing him twice within an hour. Lick believes that he can get the better of Roller. He has met the doctor before and while he lost that engagement after one of the hardest and fiercest matches ever staged anywhere, he now believes that with added experience and weight he has better than an even chance. So far as Roller is concerned, he is willing to defend his title. He has been here several days getting into condition and thinks that he is a hard hitter and a world of good.

Joe Turner and Bill Montana will furnish the preliminary. The Italian champion some days ago and this return engagement is the result. Since the Italian has been wrestling very nearly every day, he is in prime shape and ready to give a very interesting evening's entertainment. Those who know that Montana need no explanation of what they may expect when the two get together.

It is by far the most attractive card ever arranged in Richmond and is sure to draw the biggest crowd of the season. Dr. Roller is a favorite wherever he goes and mere announcement that he is to appear guarantees a large audience. Women will be admitted free. Tickets are on sale at McCoy's and will be on sale at the auditorium before the match.
